TERMS AND CONDITIONS FOR REGISTRATION

1. INTRODUCTION

These Terms and Conditions for Registration (the **"Terms"**) govern registration for and participation in the event titled ESET World (the **"Event"**), including participation in on-site and remote formats, access to related digital tools, and access to selected post-Event content made available by ESET. ESET World may be attended physically or virtually by HQ and office colleagues, ESET group personnel, partners, customers, speakers, exhibitors and other external participants. The Event website is used for registration and for making selected Event content available to registered physical and virtual participants, subject to access rights, availability, applicable law and the applicable Privacy Policy.

The Event is organized by ESET, spol. s r.o., having its registered office at Einsteinova 24, 851 01 Bratislava, Slovak Republic, Business Registration Number: 31333532, VAT number: SK2020317068 (**"ESET", "we", "us" or "our"**).

By submitting a registration for the Event, you agree to be bound by these Terms. If you register on behalf of an organization, you represent and warrant that you are authorized to do so and to bind that organization to these Terms.

2. REGISTRATION AND ACCEPTANCE

Participation in the Event is subject to prior registration through the registration form made available by ESET and post-Event payment of any applicable participation fee specified on the relevant Event or registration page.

You must provide complete, current and accurate information during the registration process and promptly update any information if it changes.

ESET reserves the right, at its sole discretion, to approve, reject, deny or cancel any registration at any time, including where capacity is limited, the registrant does not meet the intended participant profile, the information provided is inaccurate or incomplete, or the registration is otherwise inconsistent with the purpose, security or proper organization of the Event.

A registration is effective only once confirmed by ESET.

3. PARTICIPATION FEES, CANCELLATIONS AND SUBSTITUTIONS

Where a participation fee applies, the amount, billing arrangements, and any information regarding applicable taxes will be specified on the relevant Event or registration page or in related communications. Participation fees include VAT, if not specified otherwise.

Unless expressly stated otherwise, participation fees may be invoiced after the Event to the participant or, where applicable, the participant's organization. The invoiced participation fee must be paid in accordance with the payment terms stated in the relevant invoice.

A participant substitution may be permitted upon prior written request and subject to ESET's approval, provided the substitute participant satisfies the eligibility requirements for the Event.

If ESET cancels the Event in full and does not reschedule it, ESET will refund any participation fee actually paid for the cancelled participation, unless mandatory law requires otherwise. If ESET reschedules the Event or changes the participation format, the registration may remain valid for the rescheduled or modified Event, subject to any refund rights expressly communicated by ESET or required by mandatory law.

4. EVENT ACCESS AND CHANGES

Only persons whose registration has been approved by ESET may attend or access the Event or any related event materials, platforms, streams, recordings or other content made available in connection with the Event. Access rights may differ depending on whether the participant is registered for on-site participation or remote participation.

On-site participation and remote participation may be subject to different access conditions, content availability, features, networking opportunities, technical requirements, and ancillary services. Certain features, materials, services or content may be available only to on-site participants or only to remote participants, as specified by ESET from time to time.

ESET may modify the Event program, speakers, format, venue, platform, schedule or other organizational aspects of the Event where reasonably necessary for operational, technical, legal, compliance, security or business reasons.

ESET also reserves the right to reschedule, interrupt or cancel the Event, in whole or in part, at any time.

5. EVENT MOBILE APPLICATION

ESET may make available a mobile application or similar digital tool in connection with the Event (the **"Event App"**). The Event App or related digital tools may be made available to physical and virtual participants, and features may differ depending on the participation format.

The Event App may be used for informational purposes, event communications, agenda management, networking and meeting scheduling, together with any other Event-related functions determined by ESET. These functions may involve registration, access, agenda, communications, networking and meeting-scheduling data, as applicable. ESET does not guarantee that any meeting request, communication, profile visibility, or scheduling function will result in an actual meeting, response, connection, or business opportunity.

Access to and use of the Event App may require a compatible device, internet connectivity, and acceptance of additional technical requirements, platform rules, or end-user notices. The Event App or related digital tools may be developed, hosted or operated by an external developer, platform provider or other supplier engaged by ESET. Where such a supplier processes personal data on ESET's behalf, it may act as a service provider or processor under written contractual instructions and is bound by confidentiality and appropriate security and data-protection safeguards. If a provider processes personal data as a separate controller, its own privacy notice applies. Additional app or platform terms or notices may apply where relevant. The Event App is provided on an ancillary basis for convenience only and may be modified, restricted, suspended, or discontinued at any time without liability, subject to mandatory law.

6. PARTICIPANT CONDUCT

As a condition of participation, you agree that you will not:

i. use the Event or any related website, platform or materials or Event App for any unlawful or prohibited purpose;
ii. interfere with or disrupt any website, platform, stream, server or network used in connection with the Event;
iii. attempt to gain unauthorized access to any systems, accounts, content or materials;
iv. copy, misuse, distribute or make available Event content except as expressly permitted by ESET; or
v. engage in conduct that may endanger, harass, disrupt or adversely affect ESET, speakers, partners or other participants, including through the Event App, messaging tools, meeting functions, or other participant interaction features.

ESET may suspend or terminate your access to the Event, without liability, if you breach these Terms or if ESET reasonably considers your conduct inappropriate, unsafe, unlawful or disruptive.

7. ELECTRONIC COMMUNICATIONS

ESET may communicate with you electronically in connection with your registration and participation in the Event, including by email, through the registration platform, through the Event website, or by posting notices relating to the Event or through the Event App where applicable.

You agree that such electronic communications satisfy any legal requirement that communications be in writing, unless applicable law requires a different form of communication.

8. PRIVACY

Personal data provided in connection with registration for the Event will be processed in accordance with ESET's applicable Privacy Policy. Depending on the participation format and the Event features used, this may include personal data processed for registration administration, attendance management, participant communications, access control, and operation of the Event App, as further described in the applicable Privacy Policy. The Privacy Policy also explains processing relating to Event photographs, recordings, speakers, Event App tools, and interactions with external exhibitors or partners.

ESET World may include an EXPO and external exhibitors, sponsors or partners with whom participants may interact directly. A partner may process information collected directly from you as an independent controller under its own privacy notice and terms, and ESET is not the controller for that partner's independent processing. ESET will not share your registration data with partners for their own marketing merely because you register for or attend the Event. If ESET offers lead capture or participant-data sharing with a partner, it will provide a separate notice before disclosure describing the relevant partner or current partner list or category, purpose, data fields and legal basis, and will obtain a separate affirmative choice or consent where required by law. The live partner list may be made available through the registration page, Event website, Event App, on-site materials or an updated linked notice; an updated list or notice does not replace any consent or pre-disclosure information required by law. You may choose whether to request contact, allow badge or lead scanning, submit a form, request a meeting or make a similar interaction.

9. RECORDINGS, PHOTOGRAPHY AND POST-EVENT CONTENT

At a physical Event, ESET may arrange for certain presentations, sessions, keynote speeches, panel discussions, networking, EXPO activities or other Event activities to be recorded, streamed, or photographed for Event-related documentation, informational, archival, community, or similar purposes. Where participants are captured in such materials, this will generally be incidental to the recording or photography of the Event activity, speaker, audience, or general environment.

Following the Event, ESET may make available selected photographs, edited or post-production recordings, livestream excerpts and session recordings on the ESET World website, in a participant archive, through the Event App or on relevant ESET or ESET World social-media or other Event-related channels, subject to applicable law and the applicable Privacy Policy.

Participants who do not wish to appear in non-essential identifiable photographs or similar materials should, where reasonably practicable, follow the instructions provided by ESET in the applicable privacy notice or contact channels made available for the Event. ESET does not guarantee that incidental inclusion in background or crowd images can always be avoided, and removal from copies already published cannot always be guaranteed.

Speakers and presenters who register through the standard Event registration, including internal speakers and invited customer, partner and unpaid external speakers, authorize ESET to use their name, role or organization, submitted or supplied professional biography and headshot or other supplied professional photo on the Event website, agenda, registration or participant materials and in Event-related promotion. They also authorize ESET to record, reproduce, edit for length, format, captions or excerpts, publish and make available their presentation, voice, image and likeness in the Event website, participant archive, Event App, social media and other Event-related channels. This permission is limited to ESET World and related Event communications and archives, is not a general endorsement, and does not permit materially distorted use. Speakers retain ownership of their underlying materials, subject to the limited use needed for the Event. A separate written agreement with a paid speaker governs to the extent it is inconsistent with these Terms; these Terms do not amend or replace any such agreement.

Participants must not make their own recordings, livestreams, screenshots, or photographs of the Event for external publication or commercial use except with ESET's prior written consent or where expressly permitted by ESET.

10. INTELLECTUAL PROPERTY

All rights, title and interest in and to the Event and all related content and materials, including any presentations, recordings, videos, documents, graphics, logos, text and other materials, are owned by ESET or its licensors and are protected by applicable intellectual property laws.

No rights are granted to you other than the limited, non-exclusive, non-transferable right to access and use the Event and related materials for their intended purpose in accordance with these Terms. For the avoidance of doubt, access to any post-Event recordings, photographs, or materials does not grant any right to reproduce, modify, distribute, publicly communicate, republish, or commercially exploit them, except as expressly permitted by ESET.

11. DISCLAIMER

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE EVENT AND ALL RELATED CONTENT, MATERIALS, PLATFORMS AND SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT ANY REPRESENTATION, WARRANTY OR GUARANTEE OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING AS TO AVAILABILITY, ACCURACY, COMPLETENESS, FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, NON-INFRINGEMENT OR UNINTERRUPTED OPERATION. THIS DISCLAIMER APPLIES ALSO TO THE EVENT APP, LIVESTREAMS, RECORDINGS, POST-EVENT CONTENT, MEETING SCHEDULING TOOLS, AND ANY THIRD-PARTY PLATFORMS OR SERVICES USED IN CONNECTION WITH THE EVENT.

12. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ESET AND ITS AFFILIATES, EMPLOYEES, OFFICERS, REPRESENTATIVES, CONTRACTORS, PARTNERS AND LICENSORS SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES, OR FOR ANY LOSS OF PROFITS, REVENUE, BUSINESS, OPPORTUNITY, GOODWILL, DATA OR ANTICIPATED SAVINGS, ARISING OUT OF OR IN CONNECTION WITH THE EVENT, THE REGISTRATION PROCESS, PARTICIPATION IN THE EVENT, INABILITY TO PARTICIPATE IN THE EVENT, OR USE OF ANY RELATED MATERIALS, PLATFORM OR WEBSITE INCLUDING ANY EVENT APP, STREAM, RECORDING, PHOTO GALLERY, MEETING FUNCTION, OR POST-EVENT CONTENT MADE AVAILABLE IN CONNECTION WITH THE EVENT.

TO THE EXTENT LIABILITY CANNOT BE EXCLUDED BUT MAY BE LIMITED UNDER APPLICABLE LAW, THE AGGREGATE LIABILITY OF ESET ARISING OUT OF OR IN CONNECTION WITH THESE TERMS OR THE EVENT SHALL NOT EXCEED THE AMOUNT PAID BY YOU TO ESET FOR PARTICIPATION IN THE EVENT. IF NO PARTICIPATION FEE WAS PAID BY YOU, ESET'S AGGREGATE LIABILITY SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

13. CHANGES TO THESE TERMS

ESET may amend these Terms from time to time, including to reflect changes to the Event, applicable law, security requirements or business needs. The updated version will be made available on the relevant Event or registration page or otherwise communicated electronically.

Unless mandatory law requires otherwise, the amended Terms become effective upon publication or notification. If you do not agree to the amended Terms, you must discontinue your participation and, where applicable, cancel your registration.

14. GOVERNING LAW AND JURISDICTION

These Terms and any non-contractual obligations arising out of or in connection with them shall be governed by and construed in accordance with the laws of the Slovak Republic, excluding its conflict of laws rules and excluding the United Nations Convention on Contracts for the International Sale of Goods.

The courts of the Slovak Republic shall have exclusive jurisdiction over any dispute arising out of or in connection with these Terms or the Event.

Any notices relating to these Terms or the Event should be sent to:

16. FINAL PROVISIONS

If any provision of these Terms is found to be invalid, illegal or unenforceable, the remaining provisions shall remain in full force and effect.

These Terms constitute the entire agreement between ESET and the participant in relation to registration for and participation in the Event and supersede any prior communications relating to the same subject matter.
